

Initial Assessment

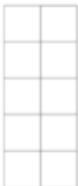

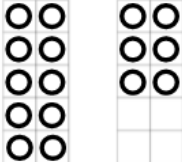

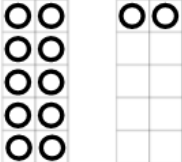

Unit: Number & Place Value

Name:	Date:
Year group:	Score:

Begin at Key Skill 1 and work through all the questions up to and including your child's current year group. Children should answer both question A and question B of each Key Skill.

- If **BOTH** questions of a Key Skill are answered incorrectly, stop the assessment and begin working through the video tutorials from this Key Skill.
- If either question A **OR** question B are answered incorrectly, continue the test but consider whether it might be beneficial to recap this Key Skill using the video tutorial, depending on the error made.

NB. Do not share correct answers with the child following the assessment. This way you can repeat the assessment when you have completed all the video tutorials to check their progress.

Year	Key Skill	Question A	Question B
YrR	NPV1: Read and write numbers to 10 in numerals	What number is shown in the frame below? 	Show the number by drawing spots in the frame:  7
YrR	NPV2: Read and write numbers 11 to 12 in numerals	What number is shown here? 	What number is shown here? 
YrR	NPV3: Count backwards within 20 from any given number	Count backwards to zero from this number: 9	Count backwards to zero from this number: 20

YrR	NPV4: Identify 1 more or 1 less than a given number	Write 1 more and 1 less than this number: <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;"> <div style="border: 1px dashed black; width: 40px; height: 40px; margin: 0 auto;"></div> <p>1 less</p> </div> <div style="text-align: center;"> <h1>10</h1> </div> <div style="text-align: center;"> <div style="border: 1px dashed black; width: 40px; height: 40px; margin: 0 auto;"></div> <p>1 more</p> </div> </div>	Write 1 more and 1 less than this number: <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;"> <div style="border: 1px dashed black; width: 40px; height: 40px; margin: 0 auto;"></div> <p>1 less</p> </div> <div style="text-align: center;"> <h1>15</h1> </div> <div style="text-align: center;"> <div style="border: 1px dashed black; width: 40px; height: 40px; margin: 0 auto;"></div> <p>1 more</p> </div> </div>																																				
YrR	NPV5: Order and compare numbers up to 20 using language 'more' and 'fewer'	Put these numbers in order from smallest to greatest: <h2 style="text-align: center;">12 7 3 15</h2>	Put these numbers in order from least to most: <h2 style="text-align: center;">8 1 13 11</h2>																																				
Yr1	NPV6: Count in multiples of 10 up to 100	Count in tens to find the number shown in the frame: <table border="1" style="margin: auto; text-align: center;"> <tr><td>10</td><td>10</td><td>10</td><td></td><td></td></tr> <tr><td>10</td><td>10</td><td></td><td></td><td></td></tr> </table>	10	10	10			10	10				Count in tens to find the number shown in the frame: <table border="1" style="margin: auto; text-align: center;"> <tr><td>10</td><td>10</td><td>10</td><td>10</td><td>10</td></tr> <tr><td>10</td><td>10</td><td>10</td><td>10</td><td></td></tr> </table>	10	10	10	10	10	10	10	10	10
